

B Song

chorus

B, B, shy and bashful
B, B, just played all alone
B, B, nervous to talk to others
B, B, always stayed at home

One day B was playing ball outside
Throwing the ball low,
Throwing the ball high,
Bouncing it off of the garage door
B was having fun

chorus

The ball went high,
The ball went low,
B caught the ball
Wherever it might go
Til B missed and it rolled away
Chase it now, poor B!

chorus

The ball rolled away,
It rolled down the street,
Past all the letters
B was too shy to greet
There it went, down a sewer grate!
Is B's ball gone for good?

chorus

The letters came over
They said "We'll help you, B!
We've got all you need
To get your ball free!"
C brought along a fishing rod
And hooked the ball with ease
And reeled it back for B!

chours

All the other letters had
Had helped B out
B saw they were nice,
Nothing to be scared about,
That day B made all new friends
B's smile shown like the sun
