## **The More We Get Together**

The more we get together,  
Together, together,  
The more we get together,  
The happier we'll be  
Cause your friends are my friends  
And my friends are your friends  
The more we get together  
The happier we'll be

## **Green, Green, Green**

(to the tune of Row Your Boat)

Green, green, what is green?  
I see it all around  
Leaves are green,  
And frogs are green,  
And the grass on the ground  
Green, green, what is green?  
Is it easy to make?  
Mix yellow and blue together  
To make your own green paint!

## **Emma's Turtle**

(to the tune of Skip To My Lou)

Emma's turtle explored the world  
Emma's turtle explored the world  
Emma's turtle explored the world  
He explored the whole wide world

First her turtle went to the jungle  
First her turtle went to the jungle  
First her turtle went to the jungle  
He explored the whole world

Next her turtle went to Australia  
Next her turtle went to Australia  
Next her turtle went to Australia  
He explored the whole world

Last her turtle went to India  
Last her turtle went to India  
Last her turtle went to India  
He explored the whole world

## **Melvin And The Turtle**

(to the tune of If You're Happy And You Know It)

There is a boy who really wants a pet  
But there's no kind that he's allowed to get

At the park he meets a turtle  
And if he can bring him home, he'll  
Keep him in a box that's dark and wet

First his little turtle needs a name  
"I'll call you Melvin!" the boy exclaimed  
The turtle thought that this was great,  
He seemed like he couldn't wait  
To follow the boy and his parents back home

But there he always stayed inside his shell,  
Melvin was unhappy, the little boy could tell,  
Except when he was in the bath,  
In the water where he splashed,  
That's the only time when things went well

The next day they went back to the lake  
They both thought that this could be really great  
Because the two could be best friends  
But Melvin could be home again  
And visiting would be a piece of cake!

## **Hurry, Hurry**

Hurry, hurry,  
Up and slow down,  
Up and slow down,  
Up and slow down,  
Hurry, hurry,  
Up and slow down  
Run, run around

Slowly, slowly,  
Read a good story,  
Read a good story,  
Read a good story,  
Slowly, slowly  
Read a good story  
Then go to bed

## **The More We Get Together**

The more we get together,  
Together, together,  
The more we get together,  
The happier we'll be  
Cause your friends are my friends  
And my friends are your friends  
The more we get together  
The happier we'll be

### **Hurry The Turtle**

(to the tune of My Dog Rags)

Hurry the turtle is slow, slow, slow  
Taking his time to go, go, go  
Meeting the monarchs  
As they fly by,

As he says hello  
They say goodbye

As he says hello  
They say goodbye

As he says hello  
They say goodbye

As he says hello  
They say goodbye

That slow turtle takes his time

Monarchs fly south in the fall

But Hurry doesn't move at all

He sleeps under his spiky plant

When they say to come along

He says he can't

As he says hello  
They say goodbye

As he says hello  
They say goodbye

As he says hello  
They say goodbye

That slow turtle takes his time
