## **The More We Get Together**

The more we get together,  
Together, together,  
The more we get together  
The happier we'll be  
Cause your friends are my friends  
And my friends are your friends  
The more we get together  
The happier we'll be

## **Plant A Seed**

(to the tune of Row, Row, Row Your Boat)

Plant, plant, plant a seed  
What will it grow to be?  
It might be a flower  
Or it might be a tree

Plant, plant, plant a seed  
What will it grow to be?  
It can grow to be short or tall  
Just like you and me

## **Grow A Rainbow**

Red, orange, yellow, blue, pink, or green  
Purple or orange or brown  
Let's all watch the rainbow,  
watch the rainbow,  
sprout from underground

## **Springtime, Springtime**

Springtime, springtime  
Jump up and down  
Jump up and down  
Jump up and down  
Springtime, springtime  
Jump up and down  
And sit right back down

## **Do You Like To Garden?**

(to the tune of Hurry, Hurry, Drive The Fire Truck)

Do you, do you like to garden?  
Do you, do you like to garden?  
Do you, do you like to garden?  
Seeds, seeds, seeds, seeds, seeds

Do you, do you like to water?  
Do you, do you like to water?  
Do you, do you like to water?  
Seeds, seeds, seeds, seeds, seeds

Slowly, slowly, watch the seeds grow,  
Slowly, slowly, watch the seeds grow,  
Slowly, slowly, watch the seeds grow,  
Seeds, seeds, seeds, seeds, seeds

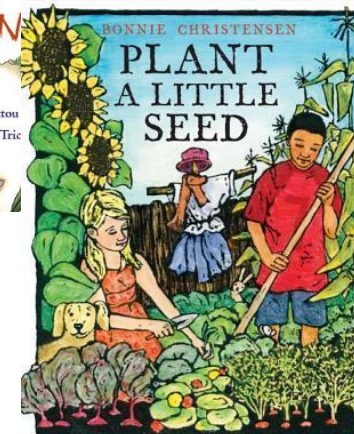

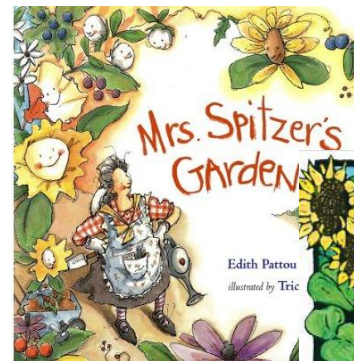

### **There's A Seed In The Sky**

There's a seed, seed, seed in the sky  
There's a seed, seed, seed in the sky  
    There's a seed in the sky  
    Wave hello as it flies by  
There's a seed, seed, seed in the sky  
  
There's a seed, seed, seed, underground  
    Buried deep, deep, deep  
    Can't be found  
    Til it grows up big and tall  
    All spring and summer til the fall  
There's a seed, seed, seed underground

### **The More We Get Together**

The more we get together,  
    Together, together,  
The more we get together  
    The happier we'll be  
Cause your friends are my friends  
And my friends are your friends  
The more we get together  
    The happier we'll be
