The More We Get Together

The more we get together,
Together, together,
The more we get together
The happier we'll be
Cause your friends are my friends
And my friends are your friends
The more we get together
The happier we'll be

Grow A Tree Of Hearts

(to the tune of Row Your Boat)

Grow a tree of hearts
Here's some seeds to sow
Add water and soil
And hugs to help them grow

Plant some tree of hearts
One or two or three
In the fall pick some hearts
Please share some seeds with me

Amelia Bedelia's First Valentine

(to the tune of Here We Go Round The Mulberry Bush)

Amelia Bedelia's first valentine
First valentine, first valentine
Amelia Bedelia's first valentine
She made some for her whole class

Amelia Bedelia's first valentine
First valentine, first valentine
Amelia Bedelia's first valentine
She left them on the school bus

Amelia Bedelia's first valentine,
First valentine, first valentine
Amelia Bedelia's first valentine
And then she made some new ones!

Let's Go Catch The Snowflakes!

Let's go catch the snowflakes
As they fall
Each tiny snowflake
Is so small
Look at them up close
And you will see

Every snowflake is unique
All unique, all unique
Every snowflake is unique!

The Snowplow Song

(to the tune of Down By The Station)

Early in the morning
While you are still sleeping
Snow plows are out
They're cleaning up our roads
Laying down some salt
And picking up the snowflakes
Watch them clear away the snow

Looking For The Owls

(to the tune of Camptown Races)

Looking for the owls tonight,
Owl moon,
Owl moon,
Looking for the owls tonight

They will fly and swoop
Down to catch their food
They will fly and swoop
Listen for the owls tonight
They will hoot hoot hoot

The More We Get Together

The more we get together,

Together, together,
The more we get together
The happier we'll be
Cause your friends are my friends
And my friends are your friends
The more we get together
The happier we'll be
