Hi Hi Wave Your Hand

Hi hi, wave your hand,
Wave it slowly,
Then as fast as you can!
Hi hi, wave your hand
Hi hi, wave your hand

Lightning Bugs Turn Off And On

(to the tune of London Bridge)

Lightning bugs turn off and on
Off and on, off and on
Ladybugs turn off and on
Watch them glowing

Off and on across the yard
Across the yard, across the yard
Off and on across the yard
Watch them glowing

Off and on inside my jar
Inside my jar, inside my jar
Off and on inside my jar
Watch them glowing

Off and on back in the sky,
Back in the sky,
Back in the sky
Off and on back in the sky
Watch them glowing

Lightning Bugs Come Out Soon

(to the tune of This Old Man)

Lightning bugs come out soon
They don't wake up til it's June
Then they take to the skies
See them glowing all around
Back to sleep in the fall
When the leaves fall down

Let's Go Flying

Let's go flying, flying, flying
Let's go flying, flying so
Let's go flying, flying, flying
Let's go flying, flying so
Flying high
Flying low
Flying fast
Flying slow

Let's go flying, flying, flying
Let's go flying, flying so!

Fireflies Inside A Jar

(to the tune of Twinkle, Twinkle)

Fireflies inside a jar
Shining just like tiny stars
You fly around the night sky
Glowing, floating, tiny lights
Fireflies inside a jar
Shining just like tiny stars

Small Little Lightning Bugs

Small little lightning bugs
Fly, fly, fly
Lights flicker, flicker
Across the sky
All is dark except for your light
Small little lightning bugs
Shine all night

Small little lightning bugs
I'll catch you
But I'll set you free
When my catching's through

You'll go back home
To your moms and dads
And say what a fun
Night you've had

Bye Bye Wave Your Hand

Bye bye, wave your hand,
Wave it slowly,
Then as fast as you can!
Bye bye, wave your hand
Bye bye, wave your hand

The more we get together
Together, together
The more we get together
The happier we'll be
Cause your friends are my friends
And my friends are your friends
The more we get together
The happier we'll be

Off and on across the yard
Across the yard, across the yard
Off and on across the yard
Watch them glowing

Off and on inside my jar
Inside my jar, inside my jar
Off and on inside my jar
Watch them glowing

Off and on I set them free
Set them free, set them free
Off and on I set them free
Watch them glowing

Off and on back in the sky,
Back in the sky,
Back in the sky
Off and on back in the sky
Watch them glowing

Hurry, Hurry, To Storytime

Hurry, hurry,
To storytime,
Hurry, Hurry,
And find a seat
Hurry, hurry,
And sit right down
And clap if you can hear me
One...Two...Three!

Lightning Bugs On My Feet

I have lightning bugs
On my feet
I have lightning bugs
On my feet
With lightning bugs on my feet
How will I ever get to sleep?
I have lightning bugs
On my feet!

I have lightning bugs
On my hands

I have lightning bugs
On my hands,
I have them on my feet, and
Now I have them on my hands!
I have lightning bugs on my hands!

Lightning Bugs, Oh Where Are You?

(to the tune of London Bridge)

Lightning bugs, oh where are you?
Where are you, where are you?
Lightning bugs, oh where are you?
I can't find you!

Could you all be still asleep?
The sun sets, out you creep!
You were sleeping underground
Now I've found you!

Fireflies Inside A Jar

Fireflies inside a jar
Shining just like tiny stars
You fly around the night sky

Glowing, floating, tiny lights
Fireflies inside a jar
