## **The More We Get Together**

The more we get together,  
Together, together,  
The more we get together  
The happier we'll be  
Cause your friends are my friends  
And my friends are your friends  
The more we get together  
The happier we'll be

## **Stripes, Stripes**

Stripes, stripes  
Lots of stripes  
Stripes on all the animals  
Stripes, stripes  
Of all types  
On birds up high  
And fish below

## **Stripes Of All Types**

(to the tune of Skip To My Lou)

Stripes, stripes  
Stripes of all types  
Stripes, stripes  
Stripes of all types  
Stripes, stripes  
Stripes of all types  
We have stripes of all types

Skunks have stripes in black and white  
Skunks have stripes in black and white  
Skunks have stripes in black and white  
We have stripes of all types

Snakes have stripes that are green and yellow  
Snakes have stripes that are green and yellow  
Snakes have stripes that are green and yellow  
We have stripes of all types

Snails have stripes that are yellow and orange  
Snails have stripes that are yellow and orange

Snails have stripes that are yellow and orange

We have stripes of all types

Fish have stripes that are blue and yellow

Fish have stripes that are blue and yellow

Fish have stripes that are blue and yellow

We have stripes of all types

Okapi have stripes that are brown and white

Okapi have stripes that are brown and white

Okapi have stripes that are brown and white

We have stripes of all types

### **Zink The Zebra**

(to the tune of Are You Sleeping?)

Zink the zebra

Zink the zebra

Had no stripes

Had spots instead

Just like other zebras

Just like other zebras

Who had no spots

Had stripes instead

### **Little Bugs**

(to the tune of Mister Sun)

Oh little bugs, bugs

Little friendly bugs

Please don't crawl on me

Oh little bugs, bugs

Little friend bugs

Some so small that I can't see

Please stay off of my hands and food

Don't bugs know not to be rude?

Oh little bugs, bugs

Little friendly bugs

Please don't crawl on me!

### **Where Are The Bees?**

(to the tune of I'm A Little Teapot)

Here is a beehive

Where are the bees?

Hidden away

Where nobody sees

Watch as they come out of their hive

One, Two, Three, Four, Buzz!

### **The More We Get Together**

The more we get together,

Together, together,

The more we get together

The happier we'll be

Cause your friends are my friends

And my friends are your friends

The more we get together

The happier we'll be
