What You'll Need

To checkout and download materials, you'll need:

- ◆ A valid library card;
- ◆ Internet access via PC, Mac®, or select mobile devices;
- ◆ A computer/device that meets the system requirements for the type(s) of materials you wish to download; and
- ◆ Free, required software for the computer/device on which you wish to use the materials available at this site.

3

Downloading and Installing Free Software

You'll first need to download and install some free, required software on your computer or mobile device:

- ◆ To download Adobe® eBooks on your computer, you'll need Adobe® Digital Editions, found here:
<http://www.adobe.com/products/digitaleditions/>
- ◆ To download OverDrive® titles, as well as Adobe® EPUB eBooks, on your Android™, BlackBerry®, iOS, iPod®, iPhone®, iPad®, Mac OS®, Windows® 98 SE, or Windows® Phone 7 device, you'll need OverDrive® Media Console™, found here:
<http://www.overdrive.com/software/omc/>

4

Software Activation

You may need to activate the software that you downloaded and installed.

- ✦ **Adobe® Digital Editions requires activation**, either anonymously or with an Adobe ID. Anonymous activation allows you to download & read DRM-protected eBooks on a single computer only. Adobe® ID activation allows you to download & read DRM-protected eBooks on multiple computers & transfer them to supported eBook devices.
- ✦ **OverDrive® Media Console™ for Android™, BlackBerry®, iPhone®/iPad®, & Windows® Phone 7 may also require activation.** If you want to read Adobe® EPUB eBooks, you need to activate your device using an Adobe® ID.
- ✦ **OverDrive® Media Console™ for Windows requires a security upgrade.** OverDrive® Media Console™ for Windows utilizes Windows Media Player 9 Series to play DRM-protected files. The first time that Windows Media Player attempts to open a DRM-protected file, it will alert you that a security upgrade must be performed before the file can be opened. Only OverDrive® Media Console™ for Windows requires a security upgrade.

More information on software activation can be found here:

Browse or Search, Checkout, Download, & Enjoy!

- When you find a title you're interested in, add it to 'My Basket' to check it out. If a title is not available, you may join a waiting list. You'll receive an e-mail when the title is available.

7

Browse or Search, Checkout, Download, & Enjoy!

- To check out a title, you will be prompted to sign in with your valid library card number (the 14-digit number on the back of your card under the barcode).
- Once you have checked out a title, a download page is displayed. Click the 'Download' link to start the download. When the download is complete, open and enjoy the title!
- You will never accrue late fees with titles you download from this Web site. Titles will automatically expire at the end of the loan period, and they are automatically returned to the library.

8

Transfer to a Mobile Device

After download, most titles can be transferred to a mobile device such as iPod®, iPad®, or an eReader. First, connect your device. Then:

- For audio, click the 'Transfer' button in OverDrive® Media Console™ to launch the Transfer Wizard and follow the onscreen prompts. For eBooks in Adobe® Digital Editions, drag and drop the title onto the device name on the left panel.
- After transfer is complete, you may disconnect your device and enjoy your title on the go.

9

Burn to CD

After download, many audio titles can be burned to CD. First, insert your CD. Then:

- Click the 'Burn' button in the OverDrive® Media Console™ to launch the Burn Wizard.
- Select the part you wish to burn. When the burn process is complete, you may enjoy your title on the go.
