STEM  
*Wednesdays!*

January 16th at 4pm!

Young scientists ages 4-8 are invited to participate in a STEM project! We will be learning about various branches of Science, Technology, Engineering and Math through craft projects! All necessary building materials will be provided.

To register, visit [www.peopleslibrary.org](http://www.peopleslibrary.org)

or call 724.339.1021 x14.
